

What Can I Do With This **Ohio State** Major?

Bachelor of Science in Business Administration

Insurance

Fisher College of Business

The Insurance major prepares students for professional careers in the global financial services industry by fostering the development of analytical and problem-solving skills in life and health risk management, employee benefit programs, social insurance, and personal and commercial property and liability risk management. Students learn about insurance products and markets, insurer operations, and government regulation of insurance. Career opportunities include insurance marketing, product development, insurance pricing, underwriting, claims management, information systems, reinsurance, investment management, and insurance consulting.¹
